

TO ~~SEC~~ ODP

FROM OMC

SUBJECT: Grallspice

1. I am asking Grallspice to phone you on Wednesday 22 October at which time you probably should have received word from me as to the transportation arrangements for Subject.

2. You probably have read the cable about the two British agents who were taken out of a British staff car in the presence of two British officers while driving enroute to the airport from Vienna. This development makes it imperative that additional arrangements be made in Vienna regarding Grallspice's trip from Tulln to Vienna.

3. I will try to communicate to you before Wednesday a cut-out phone for Salzburg so that Grallspice can ~~communicate~~ contact them in necessity, ~~after receiving word from the airport~~ and will also firm up the pick up details from Tulln. ~~Message~~ Please let me know in time when you expect to drop Subject off in Salzburg and by what airline and when he will arrive in Tulln. I have just come to the realization that there might not be any flights from Salzburg to Tulln other than military flights, so I'll have to check that out.
